

Image for Success is dedicated to providing two-week wardrobes to disenfranchised men, women, and children of Marin County who are making the transition to self-reliance.

Since 1999, over 6,000 individuals have been given a fresh start with two-week, complete, head-to-toe wardrobes of free clothing including undergarments, shoes and accessories. Our volunteer-driven wardrobe program provides a wide range of clothing with everything from a suit for a job interview to everyday clothes. Our goal is to offer individuals a profound and revived sense of dignity and self-assurance that comes with looking their best because we believe that self esteem begins with self image.
