

Dear Friend of Image:

Greetings from Image for Success!

We are happy to report that our organization is thriving and busy doing what we do best – providing clothing and confidence for our clientele who are striving to become self-reliant and productive.

The following are heart-felt testimonials from several of our clients:

“Thank you so much for your time, patience and the gift of clothes to get me started with my interviews and hopefully a new job. I feel truly worthy, and I have not felt this way for a long time!”

“I feel so fortunate to have your service. This was the self-esteem boost that I really needed. I am so much more confident going forward in my job search.”

“Oh my goodness - this has been one of the happiest days. The ladies made me feel beautiful and special – as if I were somebody who could walk into an interview or meeting with confidence.”

We are writing today to thank you for past support of Image for Success and to ask you to join us and make a donation before year-end to help with our work and make a difference in the lives of our clients. Our goal remains that of providing a two-week wardrobe for deserving men, women and children in Marin County.

Your financial support will enable us to continue our mission of offering individuals the opportunity to attain a profound and enhanced sense of dignity and self-assurance that comes from looking their best.

We thank you in advance for considering us and making a contribution!

Please note that it is possible to log on to our website and make a direct donation at www.imageforsuccess.org.
